

Honoring the Life & Legacy of Brother Frank Albrecht

WEDNESDAY, APRIL 8, 2026

12:00 PM

MCCASKEY HIGH SCHOOL TURF FIELD
LANCASTER, PENNSYLVANIA

Push-Up Challenge

Community members participate in a push-up challenge inspired by Frank Albrecht's daily tradition, honoring resilience, strength, and service.

\$65,000 Goal

Supporting cutting-edge ALS and FTD research through the ALS Hope Foundation and the End the Legacy Fund. Raising in increments of \$65k: honouring his age at diagnosis and his routine of 65 daily push-ups in the last year of his life.

Community Gathering

Students, educators, families, and local businesses will come together at McCaskey High School to honor a beloved teacher and support a shared cause.

Impact & Legacy

Funds raised advance critical research and carry forward Brother Frank Albrecht's legacy of mentorship, compassion, and community impact.

Sponsorship Opportunities

Local businesses are invited to support the Push-Up Challenge through sponsorships ranging from \$500- \$10,000+. Sponsors receive recognition on event signage, the GiveButter fundraising page, and event-day announcements while directly supporting ALS and FTD research. The same genetic mutations can cause both diseases, including the one in Brother Frank Albrecht's family.

All contributions are tax-deductible and 100% fund cure-focused research, led by patients and advised by top scientists as they fight ALS/FTD in their own lives and families.

All Proceeds Support Lifesaving ALS Research

People who carry these genetic mutations face 100% fatal disease

This fundraiser honors the life of Brother Frank Albrecht, a beloved McCaskey High School teacher who passed away from C9orf72 ALS in 2024 despite a strong will to live. Led by his daughter, Yentli Soto Albrecht, proceeds from the Push-Up Challenge support cutting-edge ALS and FTD (Frontotemporal Dementia) research. Having inherited the same genetic mutation and a scientist herself, Yentli is leveraging her MD-PhD training towards find a cure, turning personal loss into urgent action.
